2	173	leakage with power and (IC (integrated adj circuit)) and macro	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:41
3	9	leakage with power with (IC (integrated adj circuit)) and macro	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:43
4	61	leakage with power and (IC (integrated adj circuit)) and macro and temperature and thermal	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:42
5	25	leakage with power and (IC (integrated adj circuit)) and macro and temperature and thermal and calculating and distribution	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:58
6	0	leakage with power with (IC (integrated adj circuit)) and macro and distribution and thermal	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:43
7	0	leakage with power and (IC (integrated adj circuit)) and (macro adj temperature) and thermal and calculating and distribution	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:44
8	0	leakage with power and (IC (integrated adj circuit)) and macro and temperature and thermal and calculating and distribution and voltage and (dimensional dimension multi-dimensional)	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:45
9	0	leakage with power and (IC (integrated adj circuit)) and macro and temperature and thermal and calculating and distribution and (dimensional dimension multi-dimensional)	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:46
10	25	leakage with power and (IC (integrated adj circuit)) and macro and temperature and thermal and calculating and distribution and voltage and model	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:47
11	25	leakage with power and (IC (integrated adj circuit)) and macro and temperature and thermal and calculating and distribution and voltage and model and total and dynamic	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:51
1	2	leakage with power with (IC (integrated adj circuit)) with macro	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:48
12	0	leakage with power and (IC (integrated adj circuit)) and macro and temperature and (thermal adj model) and calculating and distribution and voltage and total and dynamic	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:52
13	25	leakage with power and (IC (integrated adj circuit)) and macro and temperature and thermal and calculating and distribution and total	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 15:59
14	0	leakage with power and (IC (integrated adj circuit)) and ((macro adj power) or (macro adj temperature) or (macro adj voltage)) and temperature and thermal and calculating and distribution	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 16:02
15	5	leakage with power and (IC (integrated adj circuit)) and ((macro adj power) or (macro adj temperature) or (macro adj voltage))	USPAT; US-PGPUB; EPO; DERWENT	2004/09/21 16:02
